## OUR PHILOSOPHY

We know and understand how important it is for children to be able to have fun and explore during the summer.

We also understand the impact of the dreaded summer slide - the equivalent of one month of overall learning is lost after summer vacation and two months of reading skills are lost over the summer.

Our philosophy is rooted in the ability to help curb the summer slide as much as possible, while still having fun and exploring the outdoors!

## CAMP PRICING

Our full-day summer camp is open to children ages 5 - 12 years old (must be 5 before first day of camp). Lake Country Camp runs daily from 8 a.m. - 5 p.m. Wrap Around care is available for an added fee of \$5 per day, per child.

Lunch should be brought from home. On field trip days a brown bag (cold) lunch is required as there will not be access to microwaves to warm any food up.

For your convenience and for us to remain as flexible as possible, field trip and activity trip fees will be billed based on attendance.

Included in tuition pricing is:

- » Camp t-shirt
- » Camp backpack
- » am/pm snack
